

New BADS COUNCIL Members 2020

Andrei Tanase

Andrei is a ST7 General Surgery trainee with a special interest in Hepatopancreatobiliary (HPB) Surgery. Andrei has been the Association of Surgeons in Training (ASiT) Severn Representative for the last 2 years and recently he has been involved with the British Association of Day Surgery (BADS). Andrei hopes his interest for improving day case surgery and his IT and technology skills will prove a great asset to BADS and contribute to improving and developing day surgery.
